Refunds offered under the 50%, 75%, and 90% Refundable plans remain in effect until termination of the contract.

The Village at Clark-Lindsey understands any number of factors contribute to your decision to live at The Village. We offer four contract options to provide a range of choices to meet your specific financial objectives.

Our Traditional Contract Plan allows for a lower Entrance Fee with a declining refund. Our Refundable Contract Plans allow for financial protection for you and your family. A percentage of the Entrance Fee is refundable depending on the contract option you select. Yet both plans offer you the full benefits of the Clark-Lindsey lifestyle.
